

# Windsor Diamond Club 2018 Baseball Program Book

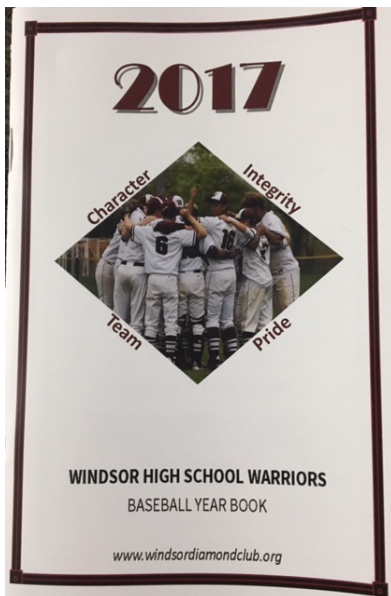

---

Dear Friend of Windsor Baseball,

The Windsor Diamond Club is a 501(c)(3) organization which supports the Windsor High School Baseball Program. As representatives of our community, we are proud of our tradition of sportsmanship, fair play and competitive baseball in Windsor. 100% of the Diamond Club's fundraising efforts are used to provide the student-athletes with training, equipment, team banquet, subsidized events and most important scholarship opportunities. Each spring we publish a player yearbook that contains profiles of the varsity players, team photos, a team schedule, local advertisements and community messages.

We invite you to join us this year in supporting Windsor Baseball and your community. Your advertisement will be seen by potential customers and the donation is tax-deductible. With the support of generous businesses and individual donors, we can continue to enrich the Windsor High School Baseball Program as we strive for continued and sustainable success on and off playing field.

Attached is a form for you to complete and proudly display your business in the 2018 program. We truly appreciate your support. Let's Go Warriors!

**Thank you for your support!**
