

Windsor Diamond Club

2017 GOLF TOURNAMENT

October 7, 2017 at

in Feeding Hills, MA

Dear Supporter of Windsor Baseball,

The Windsor Diamond Club is a 501(c)(3) entity which hosts this tournament annually in support of the Windsor High School Baseball Program. It is our major fundraiser for the year. As representatives of our community, we are proud of our tradition of sportsmanship, fair play, and competitive baseball in Windsor. 100% of the Diamond Club's fundraising efforts are used to provide our scholar athletes with training, equipment, uniforms/apparel, facility improvements, and most important, scholarship opportunities. Your tax-deductible donation will go a long way in assisting the Windsor High School Baseball Program as these young men strive for continued success both on and off the baseball diamond.

You can help by sponsoring a hole at the tournament for a tax-deductible cost of \$100 per sign. In return, your name, company name, and/or web site will be displayed on a hole during the entire tournament. Your organization will also be recognized on our website as a proud supporter of the Windsor High School Baseball Program.
