

January 2023

Dear Friend of Windsor Baseball,

The Windsor Diamond Club is a 501(c)(3) charitable organization which supports the Windsor High School Baseball Program. We are proud of the tradition of sportsmanship, fair play, and competitive baseball in Windsor. 100% of the Diamond Club's fundraising proceeds are used to provide the student-athletes with training, equipment, a year-end banquet, subsidized events, and scholarship opportunities for graduating seniors. Each spring we publish a player yearbook that contains profiles of the players, team photos, team schedules, community messages, and local advertisements.

We invite you to join us in supporting Windsor baseball and your community by purchasing an advertisement in the player yearbook. Your advertisement will be seen by potential customers and the donation is tax-deductible. With the support of generous businesses and individual donors, the Windsor Diamond Club will continue to enrich the Windsor High School Baseball Program and support student-athletes as they strive for success on and off the playing field. Success that was highlighted during the 2022 season.

The team completed the 2022 season with a 24-1 record capped off with a win in the Class L State Championship!

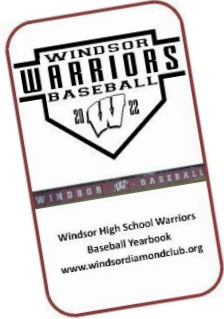

Attached is a form for you to complete to proudly display your business advertisement in the 2023 yearbook, as well as on the Windsor Diamond Club social media accounts. This form must be returned to us with your sponsorship check and ad graphics by March 31, 2023.

We deeply appreciate your support. Let's Go Warriors!

2023 Windsor Warriors Baseball Program Yearbook

The advertisements in the yearbook illustrate the commitment of individuals and businesses to supporting our student-athletes. Hundreds of potential customers will see your ad.
